

# PET OF THE MONTH

Lovington Veterinary Clinic is holding monthly drawings for "Pet of the Month." To nominate your pet, complete the short nomination form and submit a good, reproducible photo to us (or we can take one for you). Winners will be posted at the clinic and online and will win \$10 in LVC VetBucks and a gift basket.

## Rules & Stuff:

- ✚ Pet of the Month is a drawing to showcase some of our favorite patients. Winners are drawn randomly and not judged for anything special (We know how special they are to you!)
- ✚ To participate, your pet must be an active Lovington Veterinary Clinic patient (last visit was not more than 2 years ago...) and, ummmm, your account must be in good standing 😊
- ✚ A (cute) photo of your pet is needed with the nomination form. We would be happy to take a picture for you at the clinic. Please tell us if you want your photo back.
- ✚ Your pet may win only once per year. You may re-enter your pet after such time has past.
- ✚ Pet of the Month will be drawn the last Friday of each month. Owners will be notified early the following week.
- ✚ Winners get not only recognition but prizes to be determined by us (don't worry, there's not much money involved...)
- ✚ By entering this contest you give Lovington Veterinary Clinic consent to publish your pet's information and photos at the clinic, online and/or in local newspapers for publicity purposes.
- ✚ LVC Employees' pets are not eligible (too bad, they have some cuties, too!)
